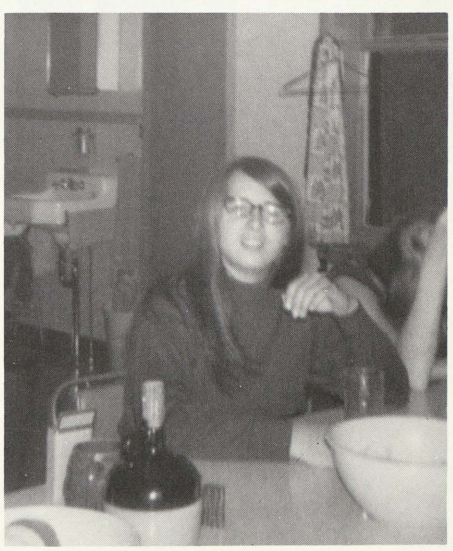
Though We Say Goodbye . . .

SENIOR CLASS OFFICERS AND ADVISORS
Nancy Babechenko, Vice President; Pat Osantowski, President; Colleen Duperon, Secretary; Dave Hart, Treasurer; Miss Fox and Mr. Tutera, Advisors.

The Class of '70 has had many memorable moments throughout our school years. Now we find ourselves in a new situation and we must say goodbye to many of our friends. Even though we won't be back next year, we hope that the things we have done, started and achieved will keep our presence here remembered. We will miss the social structure of the school that we have become accustomed to, but we must also move with time and find our individual places in a challenging new world.

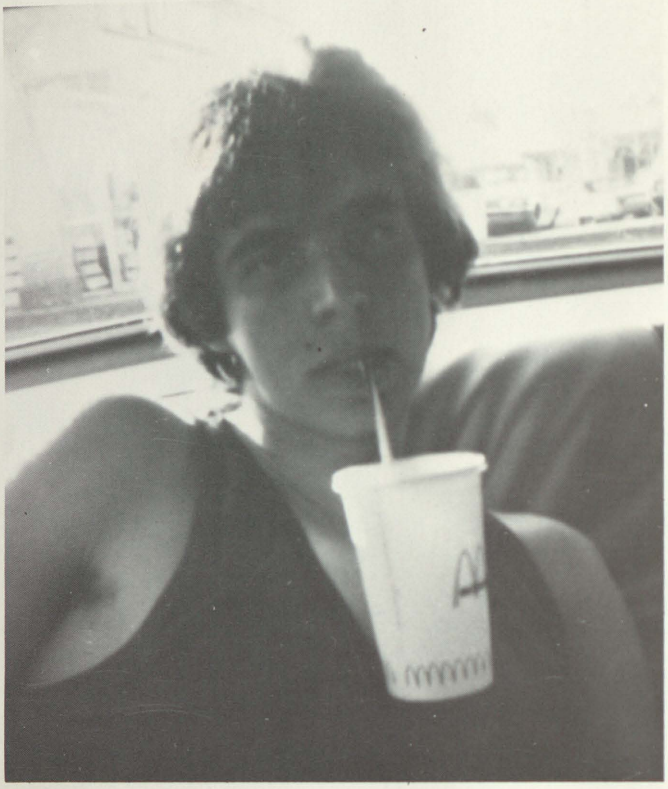
We Had Good Times!

Booga-Booga!!



What IS this with you??

Those Seniors!!



"I needed that."

The food tastes like WHAT, Doug?

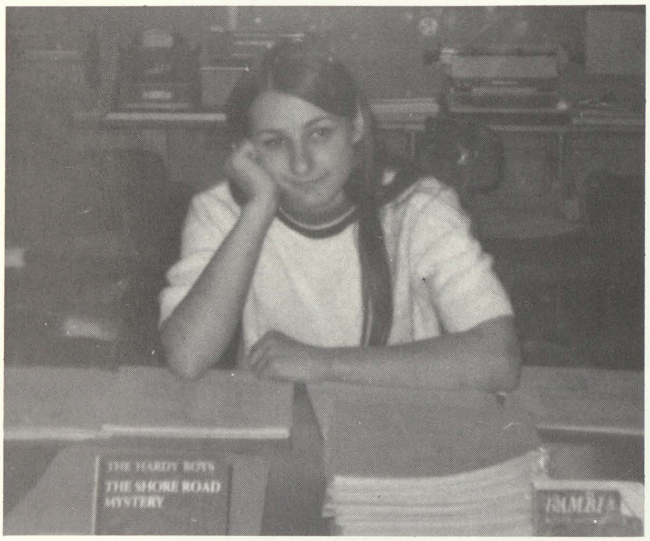
All right - where's the EMPTIES??

UMMM - Good!!!

It was made for water, Lori, WATER.

Who's been sleeping in my bed???

Moments To Remember



Lost in an illusion.

"Peace, Baby."

This is the REAL Debbie!!??

"Such Childishness."

Dawn says "I thought I was insane."

Which way would you like to go - UP???

What Will They Do Next?

We stick together.

Kiss me, Baby!!!

"I didn't do it."

"Oh, come on."

Good joke, huh?

Student Council Tackles Worthwhile Projects

STUDENT COUNCIL MEMBERS

Officers for the 1969-70 Student Council were, Tim Densmore, President; Nancy Stockmeyer, Vice President; Carol Manley, Secretary; and Paul Bierlein, Treasurer. The advisor was Mr. Bowden, Principal.

President Tim Densmore introduces one of the profession assemblies.

Student Council worked this year to better the school for students and to make way for better teacher-student relationships. Among their projects were a plan to enlarge the student parking lot, set up a Student Advisory Board, installed a pop machine in the cafeteria and put on the Homecoming. Under careful planning and supervision the Student Council accomplished more this year than any preceding year.

The past year when students visited our modern library they were able to take better advantage of its resources.

This was due in part to the fine staff of student librarians and the librarian who worked tirelessly to provide better research material and better guidance for those students who did research.

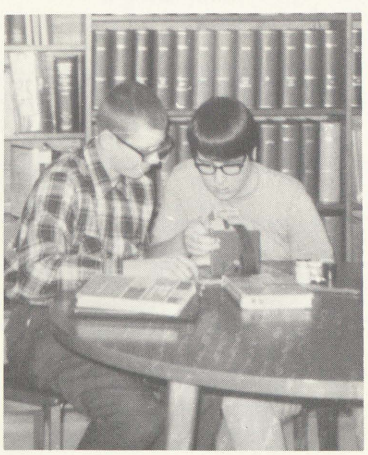
Colleen is such a hard worker.

SLAAM is a state organization of Student Librarian Assistants Associations of Michigan. The Reese chapter was organized in 1968. Mary Bierlien was elected Grand SLAAM President and Elaine Buetow was Grand SLAAM Editor of the State SLAAM for the year of 1969-70. Mary Hembling was the retiring Regional President and Mary Bierlein retired as its Vice President on October 1969. At the Thumb Regional meeting Dane Meyer was elected Vice President and Dan Wilson Regional Reporter.



Must be something REALLY interesting in there!

Mrs. Boydston looks very satisfied with her library.

Service Club Tackles Worthwhile Projects

"We, the members of the Reese Student Service Club, in order to express our awareness of and concern for society and its problems and needs, and to participate in the treatment and solutions of society's problems and needs in an active and acceptable manner, do hereby establish this constitution."

Reese High School students of 69-70 illustrated their belief in the ideals of the Service Club by planning and carrying to conclusion many money raising activities. Among these activities were dances, basketball games, a bake sale and a canoe raffle.

Funds earned from the projects were used to support such programs as the Mark Oldenburg Kidney Machine Fund, the Chippewa Indian Big Brother and Sister Program, spectator buses, and the most demanding single project of the club, a one thousand dollar contribution to build a school through the Peace Corps School Partnership Program. This school will be built in the Dominican Republic when the goal of one thousand dollars is reached.

We students are most grateful for Mr. Hinman's guidance and advice in all these endeavors.

The Beautiful Night Of Prom

May 16, 1970

No - Mike didn't really bring me in this car.

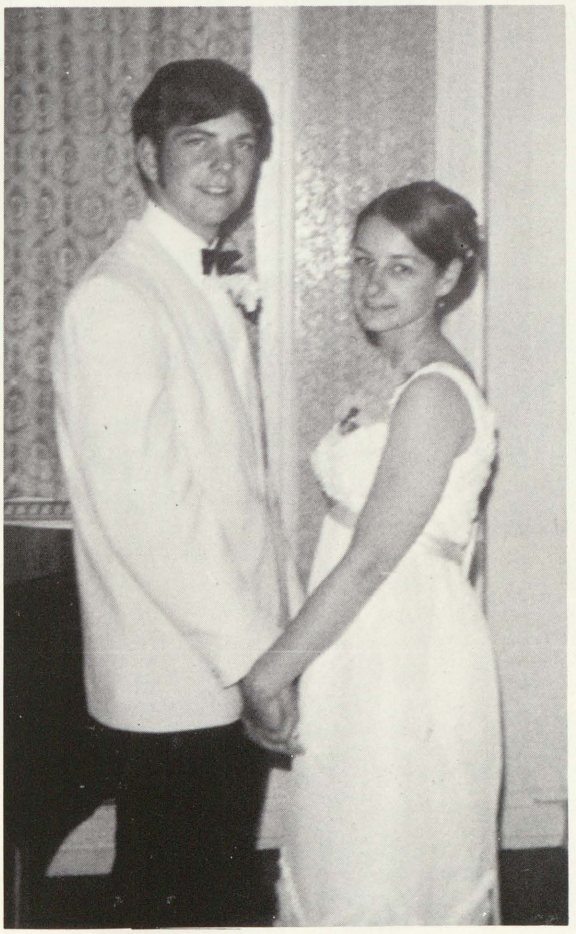
Aren't we sweet.



They found a quiet corner.

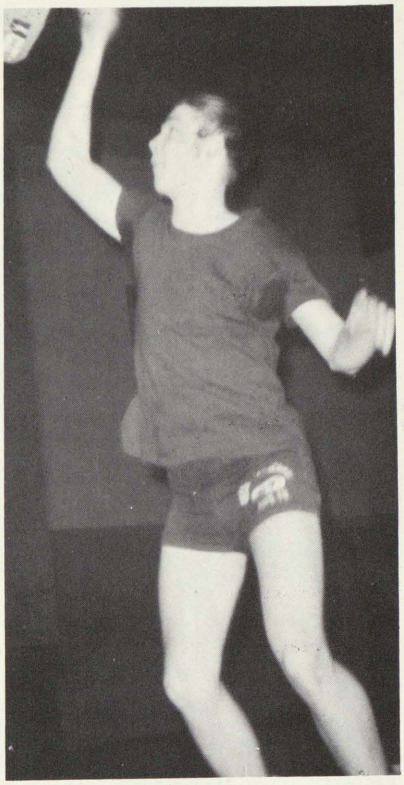
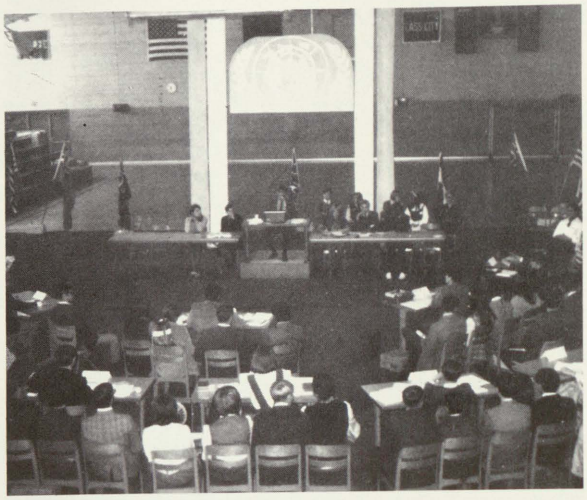
A moving singer.



Tom tried his hand at spaceball.

"Who wants to try a fling on the trampoline?"

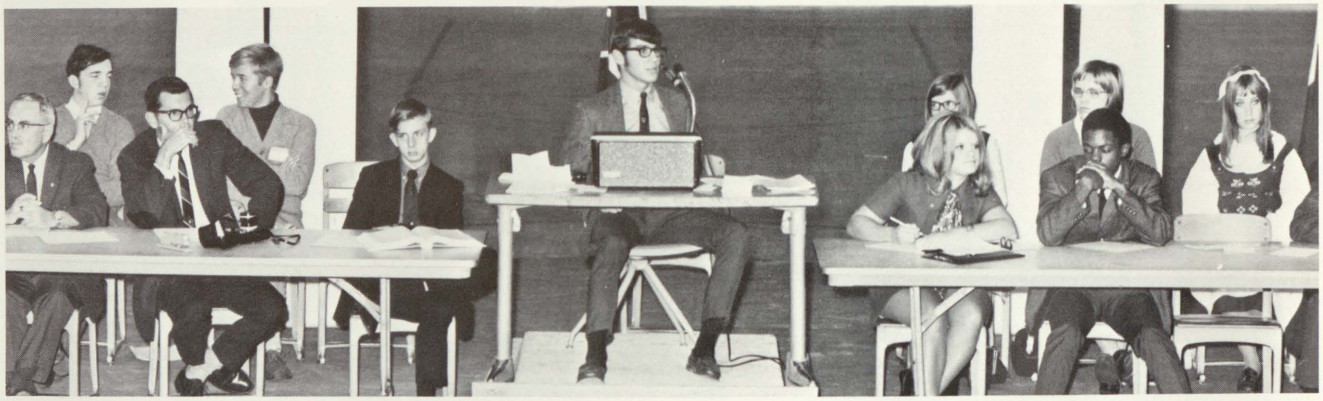
The Caldwells caught EVERYONE'S attention.



The chairman and his assistants were seated in front of the banner of the United Nations.

Before the day's activities start, Tim, Ann, Les, Duane and Denise try to relax.

U.N. Day In Vassar Brings Out New Ideas



As the Chairman and his assistants listen, the conversation and debates that arose were very involved and interesting.

Les looks to his delegation for facts and help.

Carol and Neil take a break from the hard auditorium seats during an intermission.

Aren't I a beauty???

WHEN do we get to eat it??!!

What a ladies man.

1970 – for us it has been a mixture of feelings, alternating good and bad times, work, fun, and now, a time of reflections. It has been an era of our lives. We will never forget our individual successes and tragedies, all the people we have met and the friends we have made. As we have progressed up the ladder of learning, the things we have encountered have influenced and changed our lives. Had we not lived in these hours and days, we would not be the people we are now.

All of this makes us realize that time is a never-ending movement which we will follow throughout our lives.
